

LOCATION

Two Bays Beach Villa is attached to Cabier Ocean Lodge, an intimate 11 room eco-hotel in Grenada. Cabier is situated on a promontory between two bays on Grenada's spectacular east coast overlooking the Caribbean sea. The location is described locally as 'Grenada's hidden treasure'. The Villa and Studios are in a magical position with a backdrop of the island hills and rainforest. Enjoy panoramic views of the azure sea from all areas of the accommodation, with Cabier beach to the left and Crochu Bay & beach to the right. Transfer time from the airport and the capital, St Georges is approximately 45 minutes. Transfers or car hire (delivered to airport or Cabier) can be arranged on request.

GETTING THERE

British Airways & Virgin Atlantic both fly twice weekly from London Gatwick. American Airlines and Delta fly from New York & Miami, JetBlue from Toronto, and regional LIAT flights from Barbados and Trinidad.

RESTAURANT & BAR

The Terrace Restaurant & Bar: Located at Cabier Lodge, serves Caribbean/Creole and Continental cuisine. Table d'hôte. Dietary requirements can be catered for.

BEACH, POOL & GARDENS

There is a large garden and infinity pool with views over Crochu Bay, with loungers and garden furniture. The pool is used exclusively by Two Bays guests (max 6 persons) and has a fresh water shower. Steps leading down from Cabier Lodge, with shower, provide access to Cabier beach, which is 100 yards away. Keep an eye out for pelicans, frigate birds and the occasional osprey!

Cabier Beach is a quarter mile of white sand and a quiet spot rarely visited by tourists, making it feel like your own private beach. An offshore reef protects both bays, making Cabier great for safe swimming & snorkelling in clear calm waters.

ACCOMMODATION

The Villa comprises the apartment & two self-contained Studios, which can be booked separately or as one Three Bedroom Villa. They are designed in an elegantly casual style and fully equipped to cater to your needs. Being 60 feet above the water offers privacy and stunning ocean views. The cooling breezes from the trade winds means AC is rarely needed. Furniture and fittings are built from sustainable hardwood. Wide folding louvered doors open out to large private verandas offering the perfect area for dining and relaxing. Two Bays is all about enjoying a natural, rural environment and experiencing an authentic and untouched Caribbean. There are no glass windows or doors, the wooden louvres & fans allow the cooling breeze to circulate.

The Apartment features 100ft long deep veranda with seating, double swing seat and dining table, large living and dining room, kitchen & breakfast bar. The large bedroom features a super king size four poster bed, en-suite bathroom with shower.

Crochu Bay & Cabier Beach Studios are self-contained and each feature a 20ft long private veranda with swing seats, dining table, kitchen, en-suite bathroom with shower.

FAMILIES: Families travelling with children aged 18 and under must book the entire Villa.
